

I hope your child has a great basketball season and is looking forward to improving his or her skills during the spring and/or summer of 2015. This web site will provide you pertinent information about our camps, including a printable, mail-in application.

All of our camps are built on individual instruction and fundamentals. The goal of our camps has always been to provide instruction that will help your child become a better basketball player.

As the saying goes "***Basketball players are made during the summer and perform in the winter.***" And to quote the great Michael Jordan, "***Get the fundamentals down and the level of everything you do will rise.***"

I sincerely hope your child can join us in what promises to be another exciting and rewarding basketball experience.

Sincerely,
Art Leary
Director, Slamma-Jamma Basketball Camp
